Julian Price

It is with great sadness that the Executive Director of the International Sugar Organization informs Members of the sad, untimely and sudden passing of Julian Price.

Julian will be known to many Members from the occasions when he spoke at ISO seminars over the years, from his participation at the ISO's Analysts meetings where his insight into the sugar and ethanol world were invaluable as well of course as his extensive work with ED & F Man and EU sugar regulations.

He was also a Trustee of the ISO's Provident Fund, a post he had held for the past four years with dedication and discretion.

Our thoughts and prayers are with his wife, Albane, and their daughters.
