## 33<sup>rd</sup> ISO SEMINAR

The Chairman this year is Luis Miguel Paiz, CEO of ASAZGUA, who is widely known in today's sucro-energetic world. Luis Miguel has been very active in sustainability and has spearheaded the initiatives to potentialize the sugar sector's efficient use of water in consonance with the UN framework and the Sustainable Development Goals (SDGs). His efforts to project astute and accurate communication have positioned UNALA (the Latin American Union of Beet & Cane Producers) as an effective interlocutor to have the facts about sugar & biofuels permeate at all levels.

Interpretation will be available in English, French, Portuguese and Spanish.
