##### [US: World's oldest man is former sugar farmer](#)

A 112-year-old former sugar cane farmer in Puerto Rico has been named as the world's oldest man by Guinness World Records, according to CNN.

Emilio Flores Márquez was born on August 8, 1908, in Carolina, Puerto Rico, making him nearly 113.

Márquez, who was the second oldest of 11 children and helped on his father's sugar cane farm from when he was a young boy. He would water the plants and load cut sugar cane into wagons for transport, according to the update from Guinness World Records.

He continued to farm, with farming" eventually becoming the way he supported his family," according to Guinness World Records.

Known as "Don Millo," Márquez's key to a happy life is "to have an abundance of love and to live life without anger," the news release said.
