### HYBRID ANNOUNCEMENT

In light of the issues that some of our friends and colleagues are still facing with entry to the United Kingdom, the Executive Director is pleased to announce that the Secretariat has been working hard on making this year's seminar a hybrid format, thus enabling as many of our colleagues and friends to benefit from this exciting two-day event by attending as online delegates. The online registration fee is £995 sterling (€1.190 and US\$1,390) per person.

Registration to participate must be done online through the ISO Website ([www.isosugar.org](http://www.isosugar.org)) where you will see the option to choose "online" or "in person" participation.

It is **absolutely essential** that the e-mail address you enter as an online delegate is the e-mail address you intend to use on the two days of the seminar as this is where the Zoom Webinar link to join will be sent.

**The ISO Secretariat still very much encourages as many of our friends and colleagues to attend in person as this is best way to get as much benefit from the event.**
