

**EXECUTIVE DIRECTOR**

**Press Release(23)42  
(English only)**

**10 July 2023**

**The India Sugar & Bio-Energy Conference  
JW Marriott Hotel, Aerocity, New Delhi  
21-22 September 2023**

The Executive Director of the International Sugar Organization would like to draw your attention to the forthcoming "India Sugar & Bio-Energy Conference" being held from 21-22 September 2023, at the JW Marriott Hotel, Aerocity, New Delhi.

The Government of India, the "Indian Sugar Mills Association (ISMA)" and the "International Sugar Organization (ISO)" have collaborated to conduct the India Sugar & Bio-Energy Conference 2023. The Conference promises to bring together experts from the government of India and experienced and renowned personalities from the sugar industry and trade, the bio-fuels industry and all allied industries under one roof from 21-22 September 2023 at the JW Marriott, Aerocity, New Delhi.

This event is a must attend conference for those involved in the sugar industry and trade, in bio-fuel clean missions, the farming sector from India and all over the world.

Full details and registration can be found using the link below.
